Small Package: Around town or to and from any address in Greater Boston or New England, we offer three unique services:

- 1) HotRush® - Direct No Stops
- 2) SameDay - Pickup and delivery within 3 hours
- 3) SaveEx® - Order by 12 Noon for Same Day Delivery by 4PM

Legal Couriers: We offer our couriers an extensive training program to ensure problem free legal deliveries.

Medical Couriers: Time definite and STAT deliveries of prescriptions, medication, specimens and medical equipment. We are the only courier company in MA to keep dry ice on site. Serving over 300 departments in 26 Massachusetts Hospitals.

LTL Trucking: 24' Straight Trucks all equipped with Lift-Gates, Straps, Pads and many have driver assistants on board.

In addition, we operate Cargo Vans, Cube and Box Trucks.

Fleet: Total fleet size exceeds 150 vehicles (Cars, Vans & Trucks)

Dedication & Professionalism:

Drivers receive extensive training and always afford customers with 100 percent effort.

Communication & Technology: Place an order, track your shipment in real time, or manage your inventory, all online. We use the industries top rated software product, Xcelerator! USGROUND Dispatch Centers handle fleet communications with Nextel Direct Connect and Two-way wireless data. Distribution drivers utilize MobileTek package delivery software interface with scanning barcodes. It's easy, efficient, and customizable!

Warehousing and Logistics: For a comprehensive review of distribution, routes, scheduled services, supply chain, cross docking, records storage management and much more, feel free to visit www.usgroundlogistics.com

Register for account activation: Visit www.usground.com for account activation (Guaranteed within 24 business hours)
